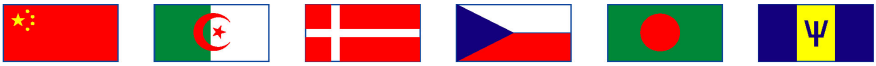
Short Term



MISSIONS

Cedar Heights Baptist Church

I am thinking about going on a Short Term Missions trip and would like support from CHBC... What do I need to do?

1. Are you a Member or Associate Member of CHBC?
   If not, contact the church office for a membership application form.

2. Consider the short term missions opportunities provided by CHBC Jamaica Trip - 2012.

3. Consider which missions agency to use (see suggested list of mission agencies).

4. Fill out the missions application form at least 1 month (but no later) before your trip. Turn completed form into the office.

5. Make an appointment with the missions committee to see if your short term trip would meet our mission goals. A highlight of CHBC mission goals are:
   a. un-reached people groups
   b. less access to the Gospel
   c. places of poverty
   d. close proximity for short term affecting cost
   e. sending active members vs. non-members to investigate possible ministry in missions

6. Three possible avenues of support will be decided:
   a. support letter approval for distribution in mailboxes.
   b. prayer support from the church body
   c. One time financial support from the short term fund

7. A Commissioning Service will be set before departure date for all short termers to present their trips and needs to the church.

8. A return report is required to be given to the church body.
